## EU Energy Star programme - Imaging Equipment specification v1.1 — registered EU Energy Star Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the European Commission in the EU Energy Star programme under the current qualification specifications.

In no event shall Energy Star or the European Commission or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

### Imaging Equipment

Company	Qualifying product(s) Brand name	Model reference	Product type
<b>0</b>			
Ricoh		Aficio SG K3100DN Aficio SG K3100DN	Printer
<b>Argox Information Co., Ltd</b>			
Argox		Desktop Barcode Printer OS-214 plus	Printer
<b>Brother International Europe</b>			
BROTHER		ADS-2600W ADS-2600W	Scanner

## EU Energy Star programme - Computer Equipment specification v5.0 — registered EU Energy Star Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the European Commission in the EU Energy Star programme under the current qualification specifications.

In no event shall Energy Star or the European Commission or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

### Computer Equipment

## EU Energy Star programme - Displays v5.0

### — registered EU Energy Star Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the European Commission in the EU Energy Star programme under the current qualification specifications.

In no event shall Energy Star or the European Commission or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

## Monitors

Company	Qualifying product(s)		Display type
	Brand name	Model reference	
<b>ASHELVEA</b>			
	ASHELVEA	EVOLUTIS 17" VBEC17_08	LCD monitor
<b>CERA COMPUTER</b>			
	CeraTech	CeraView Q19675	LCD monitor
